All GNTC students may seek Tutoring assistance with many of their classes in one of three ways.

Students may access a GNTC tutor through the online Academic Support Center (ASC) Virtual Lab within Blackboard. The Virtual Lab opens Monday, May 13, 2024.

Students may seek assistance at any on-campus Academic Support Center Tutoring Lab. The ASC labs that will be open for the current semester include the Catoosa County Campus lab, the Floyd County Campus lab, the Gordon County Campus lab, the Walker County Campus lab, and the Whitfield-Murray Campus lab. The on-campus tutoring labs open Monday, May 13, 2024.

When the Academic Support Center Virtual Lab is closed, students may seek assistance for their online classes, including hybrid and web-assisted, from NetTutor. If your class is supported by NetTutor, your instructor may provide a link to NetTutor within your Blackboard class navigation panel.
